

The future of St Dominic's Catholic Primary School

Some Camden primary schools have too many school places that can't be filled

St Dominic's Catholic Primary School has a lot of unused school places - we need to do something about this

One idea is to close St Dominic's School on **31 August 2023**

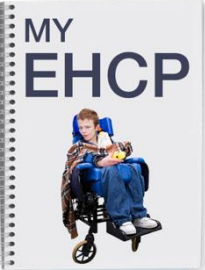

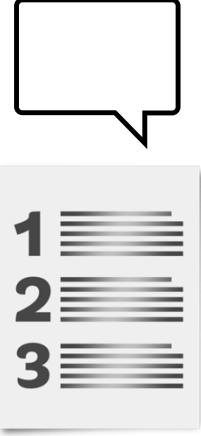

If St Dominic's School closes, pupils already there will be offered a place at another Camden school – including Catholic schools

If St Dominic's School closes the Council and Diocese will offer support to everyone involved during the process

We want to know what you think
